## ALL ABOUT CLUBS & SOCIETIES

At MONSU Caulfield, we believe that the university experience goes beyond the routine of lectures, tutorials and assignments. We want to ensure that every student has an enjoyable and memorable time. We boast a variety of clubs and societies including academic, cultural, special interest and spiritual clubs.

Joining one of our many clubs and societies allows you to meet and interact with other students through the many social and professional events hosted. You may even wish to get involved in a club committee and help contribute to what makes our campus so great.

Engagement with clubs and societies is the perfect way to transition into university life outside of the classroom. We strongly encourage you to get involved with our clubs and societies and make your experience at Monash University Caulfield an enjoyable and fulfilling one.
