

ACADEMIC PROGRESS INFORMATION SESSION

Sessions are open to all undergraduate Caulfield, Peninsula, Parkville and Berwick students.

It is important that you attend an APC Information Session to improve your chances of remaining at Monash. If you do not respond to the Faculty or do not include enough information about your situation you could be excluded from your course.

At the Information Session we will discuss:

- The APC process
- Why you have received a Notice of Referral and Hearing
- What you need to include in your response to the Faculty
